

Suffolk Bird Checklist

status up to and including 2001 records (2002 & 2003 where stated) - not including BOURC category E
 R = records considered by BBRC r = records considered by SORC, requiring full descriptions
 see end of list for Category D and abundance codes

red-throated diver		common winter visitor and passage migrant, rare inland
black-throated diver		uncommon winter visitor and passage migrant, rare inland
great northern diver		uncommon winter visitor and passage migrant
yellow (white)-billed diver	R	accidental, 3 records; 1852, 1978 and 1994
little grebe		locally common resident, passage migrant and winter visitor
great crested grebe		locally common resident, passage migrant and winter visitor
red-necked grebe		uncommon winter visitor and passage migrant, mostly coastal
slavonian grebe		uncommon winter visitor and passage migrant, mostly coastal
black-necked grebe		uncommon winter visitor and passage migrant
northern fulmar		fairly common summer visitor and passage migrant
Cory's shearwater	r	very rare (autumn) passage migrant; 28 records of 37 individuals, all post 1973
great shearwater	r	accidental, 6 records; 3 post 1950
sooty shearwater		uncommon autumn migrant
Manx shearwater		uncommon passage migrant, mainly autumn
Balearic shearwater	r	very rare passage migrant, 9 records, all since 1998
Leach's storm petrel	r	scarce passage migrant
European storm petrel	r	very rare passage migrant, 28 individuals since 1950
northern gannet		common offshore passage migrant
great cormorant		locally common passage migrant and winter visitor, a few oversummer
European shag		fairly common winter visitor and passage migrant
great bittern		scarce resident, passage migrant and winter visitor
little bittern	R	accidental, 27 records referring to 32 individuals, has bred; 4 records since 1950
black-crowned night heron	R	very rare passage migrant and winter visitor, 27 records; ?? post 1950
squacco heron	R	accidental, 10 records, none since 1912
cattle egret	R	accidental, 3 records, 1988, 1992 and 2001
little egret		uncommon but increasing year round visitor; has recently bred
great (white) egret	R	accidental, 8 records, all since 1984
grey heron		common resident, passage migrant and winter visitor
purple heron	r	scarce passage migrant, 112 records, the majority since 1950
black stork	R	very rare passage migrant, 16 records, 10 since 1950
white stork		very rare passage migrant, 41 records, at least 20 since 1950
glossy ibis	R	very rare passage migrant, 42 records, ??? since 1950
Eurasian spoonbill		uncommon summer visitor and passage migrant, formerly bred
mute swan		common resident and winter visitor
Tundra (Bewick's) swan		locally common winter visitor and passage migrant
whooper swan		uncommon winter visitor and passage migrant
bean goose (tundra & taiga)		uncommon winter visitor and passage migrant
pink-footed goose		uncommon winter visitor and passage migrant
greater white-fronted goose		locally common winter visitor
lesser white-fronted goose	R	accidental?, impossible to differentiate between wild birds and escapes
greylag goose		locally common and increasing resident, and scarce winter visitor
snow goose	R	scarce and wandering feral resident; impossible to determine whether any of wild origin
Canada goose		locally common resident
Barnacle goose		uncommon winter visitor and passage migrant, and an increasingly common feral resident

brent goose , inc pale bellied & black brant		locally common winter visitor and passage migrant
Egyptian goose		locally common resident
red-breasted goose	R	accidental, 3 individuals 1983/4, 2000 and 2001; several other records presumed escapes
ruddy shelduck	R	accidental and escapee, c. 75 records; impossible to differentiate wild birds, escapees or feral origin
common shelduck		locally common resident, winter visitor and passage migrant
mandarin duck		uncommon feral visitor - has bred
Eurasian wigeon		locally common winter visitor and passage migrant, a few oversummer and occasionally breed
American wigeon	R	accidental, 13 individuals, all since 1974 (including 2002)
gadwall		common resident and winter visitor
common teal		locally common resident, common winter visitor and passage migrant
green-winged teal	r	very rare winter visitor, 17 records, all since 1963
mallard		abundant resident, winter visitor and passage migrant
northern pintail		fairly common winter visitor and passage migrant, a few oversummer
garganey		uncommon summer visitor and passage migrant
blue-winged teal	R	accidental, 4 records all since 1971; other records of presumed escape origin
northern shoveler		fairly common resident, winter visitor and passage migrant
red-crested pochard		uncommon winter visitor and passage migrant
common pochard		common winter visitor and passage migrant; scarce resident, breeds occasionally
ring-necked duck	r	accidental, 8 records involving 10 individuals, all since 1974
ferruginous duck	R	rare winter visitor and passage migrant, 54 individuals, 32 since 1950
tufted duck		common resident, winter visitor and passage migrant
greater scaup		fairly common winter visitor and passage migrant
common eider		locally common winter visitor and passage migrant, a few oversummer and has bred
long-tailed duck		uncommon winter visitor and passage migrant
black (common) scoter		common, non-breeding resident, winter visitor and passage migrant
velvet scoter		uncommon winter visitor and passage migrant
bufflehead	R	accidental, 1 record 1997/8 (one previous record recently rejected)
common goldeneye		common winter visitor and passage migrant
smew		uncommon winter visitor, subject to influxes during severe weather periods
red-breasted merganser		uncommon winter visitor and passage migrant
goosander		locally common winter visitor and passage migrant
ruddy duck		uncommon resident, winter visitor and passage migrant
European honey buzzard	r	scarce passage migrant, has bred in the past, and some recent summer records
black kite	R	very rare passage migrant, 24 records, all since 1971
red kite		scarce winter visitor and passage migrant, has bred
white-tailed eagle	r	very rare winter visitor, c. 80 records, but only 11 individuals during the 20th century
Eurasian marsh harrier		local breeder, summer visitor and uncommon passage migrant, a few overwinter
hen harrier		fairly common winter visitor and passage migrant; formerly bred up to 1929
Montagu's harrier	r	rare passage migrant and former breeding summer visitor
pallid harrier	R	accidental, 1 record in 1999
northern goshawk	r	scarce resident, winter visitor and passage migrant
Eurasian sparrowhawk		increasingly common resident, winter visitor and passage migrant
common buzzard		uncommon winter visitor and passage migrant, breeds infrequently
rough-legged buzzard		scarce winter visitor and passage migrant

greater spotted eagle	R	accidental, 3 19th century records involving 4 individuals
osprey		uncommon passage migrant
common kestrel		common resident, winter visitor and passage migrant
red-footed falcon	R	very rare passage migrant, 37 records, 36 since 1950
merlin		uncommon winter visitor and passage migrant
Eurasian hobby		fairly common summer visitor and passage migrant
gyr falcon	R	accidental, 4 19th century records
peregrine falcon		uncommon winter visitor and passage migrant, formerly bred
grey partridge		fairly common resident
red-legged partridge		abundant resident
common pheasant		abundant resident
golden pheasant		scarce resident
common quail		scarce summer visitor and passage migrant, subject to occasional influxes
water rail		fairly common resident, winter visitor and passage migrant
spotted crane	r	rare passage migrant, occasionally breeds
little crane	R	accidental, 2 records, 1830 and 1973
Baillon's crane	R	accidental, 3 19th century records
corncrake	r	very rare passage migrant, formerly bred
common moorhen		abundant resident, winter visitor and passage migrant
common coot		common resident, winter visitor
Allen's gallinule	R	accidental, one record, 1902 (recorded in former Suffolk, now Norfolk)
common crane	r	rare passage migrant, formerly bred
little bustard	R	accidental, 21 records involving 23 individuals; 3 post 1950
MacQueen's (Houbara) bustard	R	accidental, 1 record, 1962
great bustard	R	accidental, formerly bred, recorded in 2 winters (10 individuals) in 20th century - 1925 & 1987
Eurasian oystercatcher		locally common winter visitor, passage migrant, and common resident
black-winged stilt	R	very rare passage migrant, 24 records (33 individuals), 12 records (17 individuals) since 1950
piebald avocet		locally common resident, winter visitor and passage migrant
stone curlew		locally common summer visitor and rare passage migrant
cream-coloured courser	R	accidental, 1 record, 1828
collared pratincole	R	accidental, 5 records involving 6 individuals, all but 1 since 1950
oriental pratincole	R	accidental, 2 records, 1981 and 1993
black-winged pratincole	R	accidental, 2 records, 1985 and 1993
little (ringed) plover		fairly common summer visitor and passage migrant
ringed plover		common resident, winter visitor and passage migrant
Kentish plover	r	rare passage migrant, has nested once
greater sand plover	R	accidental, 1 record 1981
Eurasian dotterel	r	scarce passage migrant
American golden plover	R	accidental, 1997 (accepted by BBRC as either American or Pacific g.p.), 2003 (recorded in former Suffolk, now Norfolk)
Pacific golden plover	R	accidental, 1992 Breydon Water - not officially accepted as having crossed into Suffolk
European golden plover		common winter visitor and passage migrant
grey plover		common winter visitor and passage migrant
sociable plover (sociable lapwing)	R	accidental, 4 records (3 individuals), 1968, 1977/8 and 2000
northern lapwing		abundant winter visitor, passage migrant, and common resident
red knot		common winter visitor and passage migrant
sanderling		fairly common winter visitor and passage migrant

semipalmated sandpiper	R	accidental, 3 records, 1982/3, 1986 and 1993
little stint		fairly common passage migrant, occasionally overwinters
Temminck's stint	r	scarce passage migrant
white-rumped sandpiper	R	very rare passage migrant, 24 records , all since 1962
Baird's sandpiper	R	accidental, 5 records, all since 1965
pectoral sandpiper	r	scarce passage migrant, 87 records, 76 since 1950
sharp-tailed sandpiper	R	accidental, 1 record, 1892
curlew sandpiper		fairly common passage migrant
purple sandpiper		fairly common winter visitor and passage migrant
dunlin		common winter visitor and passage migrant
broad-billed sandpiper	R	very rare passage migrant, 29 records, 25 since 1950
stilt sandpiper	R	accidental, 4 records, all since 1969
buff-breasted sandpiper	r	accidental, 7 records; 6 post 1950
ruff		common passage migrant and scarce winter visitor, a few oversummer
jack snipe		fairly common winter visitor and passage migrant
common snipe		uncommon resident, common winter visitor and passage migrant
great snipe	R	accidental, formerly a rare passage migrant, but just 2 since 1950
long-billed dowitcher	R	very rare passage migrant, 9 records, 8 since 1950
Eurasian woodcock		fairly common resident, winter visitor and passage migrant
black-tailed godwit		common winter visitor and passage migrant, a few oversummer
bar-tailed godwit		fairly common passage migrant and uncommon winter visitor
whimbrel		common passage migrant
Eurasian curlew		common winter visitor and passage migrant, a few oversummer, some breed
eskimo curlew	R	accidental, 1 record in 1852
upland sandpiper	R	accidental, 1 record in 1964
spotted redshank		fairly common passage migrant, a few over winter
common redshank		common resident, winter visitor and passage migrant; decreasing as a breeding species
marsh sandpiper	R	accidental, 5 records involving 7 individuals, 4 of these since 1950
common greenshank		common passage migrant, occasionally over winters
greater yellowlegs	R	accidental, 3 records, 1975, 1985 and 1995
lesser yellowlegs	R	accidental, 7 records, 6 since 1950
green sandpiper		uncommon winter visitor and common passage migrant
wood sandpiper		uncommon passage migrant
Terek sandpiper	R	accidental, 11 records, all since 1950
common sandpiper		common passage migrant, a few oversummer
spotted sandpiper	R	accidental, 3 records, 1997, 1995, 1998
ruddy turnstone		common winter visitor and passage migrant, a few oversummer
Wilson's phalarope	R	very rare visitor, 7 records, all since 1971
red-necked phalarope	r	scarce passage migrant
grey phalarope	r	rare winter visitor and passage migrant
pomarine skua		uncommon passage migrant, mostly in autumn; occasionally over winters
arctic skua		common passage migrant; occasionally overwinters
long-tailed skua	r	scarce passage migrant, c. 125 records
great skua		uncommon passage migrant, occasionally noted in winter
Mediterranean gull		fairly common winter visitor and passage migrant, a few oversummer and breed
laughing gull	R	accidental, 1 record 1995
Franklin's gull	R	accidental, 2 records 1977/8 and 1991
little gull		fairly common passage migrant and scarce summer and winter visitor
Sabine's gull	r	rare passage migrant, c 50 records [more than 60 individuals since 1950]]]]]]

black-headed gull		abundant resident, winter visitor and passage migrant
slender-billed gull	R	accidental, 1 record 1971
ring-billed gull	r	accidental, 5 records, all since 1985 (including 2002 record)
mew (common) gull		common winter visitor and passage migrant; small numbers over-summer and a few pairs breed
lesser black-backed gull		common summer visitor and passage migrant; increasing numbers overwinter
herring gull, inc yellow-legged & Caspian gull		common resident, winter visitor and passage migrant
Iceland gull		scarce winter visitor
glaucous gull		scarce winter visitor
great black-backed gull		common winter visitor and passage migrant, a few oversummer with recent breeding
black-legged kittiwake		locally common resident, winter visitor and passage migrant; breeds at 2 sites
ivory gull	R	accidental, 1 record, 1999
gull-billed tern	R	very rare visitor, 17 records involving 23 individuals; 9 records (10 individuals) since 1950
Caspian tern	R	very rare visitor, 43 records, ???? since 1950
lesser crested tern	R	accidental, 2 records 1991 and 1992
sandwich tern		fairly common summer visitor and passage migrant
roseate tern	r	scarce passage migrant
common tern		common summer visitor and passage migrant
arctic tern		fairly common passage migrant, occasionally breeds
sooty tern	R	accidental, 3 records, 1900, 1966 and 1976
little tern		common summer visitor and passage migrant
whiskered tern	R	accidental, 5 records, 4 since 1950
black tern		fairly common passage migrant
white-winged black tern	R	rare passage migrant, 27 records involving 45 individuals, 24 individuals since 1950
common guillemot		common winter visitor and passage migrant
razorbill		uncommon winter visitor and passage migrant
black guillemot	r	accidental, 6 records, 3 since 1950
little auk		scarce winter visitor and passage migrant, subject to occasional influxes
Atlantic puffin	r	scarce passage migrant and winter visitor
Pallas's sandgrouse	R	accidental, batches of records from 3 19th century irruptions
feral pigeon		abundant resident from feral stock
stock pigeon (dove)		common resident and passage migrant
common wood pigeon		abundant resident, winter visitor and passage migrant
Eurasian collared dove		common resident
European turtle dove		widespread but decreasing summer visitor and passage migrant
rose-ringed parakeet		scarce visitor, has bred [recent records all escapees ?, no self-supporting feral population]
common cuckoo		common summer visitor and passage migrant
yellow-billed cuckoo	R	accidental, 2 records 1971 and 1989
great spotted cuckoo	R	accidental, 1 record 1992
barn owl		fairly common resident in the east, scarce in the west
little owl		fairly common resident
Scops owl	R	accidental, 4 19th century records
snowy owl	R	accidental, 7 records, 4 since 1950
tawny owl		common resident
long-eared owl		fairly common winter visitor and passage migrant, and scarce resident
short-eared owl		fairly common winter visitor and passage migrant, and scarce resident

Tengmalm's owl	R	accidental, 5 records, last in 1901
nightjar		locally common summer visitor and passage migrant
swift		abundant summer visitor and passage migrant
pallid swift	R	accidental, 3 records involving 2 individuals, all in 1999
Pacific swift	R	accidental, 1981, captured on gas rig off Norfolk, released at Ellough
alpine swift	R	very rare vagrant, 22 records, 17 since 1950
common kingfisher		fairly common resident
European bee-eater	r	very rare summer visitor and passage migrant, 36 records involving 42 individuals, all but 2 since 1950
European roller	R	accidental, 27 records, but only 6 since 1950
hoopoe		uncommon passage migrant
Eurasian wryneck		uncommon passage migrant, formerly bred
green woodpecker		fairly common resident
great spotted woodpecker		common resident and scarce passage migrant
lesser spotted woodpecker		uncommon resident
greater short-toed lark	r	very rare passage migrant, 13 records, 12 since 1950
wood lark		locally common resident and scarce passage migrant
sky lark		common resident, winter visitor and passage migrant
crested lark	R	accidental, 1 record, 1996
horned (shore) lark		uncommon winter visitor and passage migrant
sand martin		common summer visitor and passage migrant
barn swallow		common summer visitor and passage migrant
red-rumped swallow	R	very rare passage migrant, 17 records involving 18 individuals, all since 1987
house martin		common summer visitor and passage migrant
Richard's pipit	r	rare passage migrant, 44 records, all since 1968
Blyth's pipit	R	accidental, 1 record, 1994
tawny pipit	r	rare passage migrant, 31 records, all but 1 since 1950
olive-backed pipit	R	accidental, 2 records, 2000 and 2001
tree pipit		locally common summer visitor and passage migrant
pechora pipit	R	accidental, 1 record, 1975
meadow pipit		locally common resident, common passage migrant and winter visitor
red-throated pipit	R	accidental, 3 records, 1982, 1992 and 2000
rock pipit		locally common winter visitor and passage migrant
water pipit		uncommon winter visitor and passage migrant
yellow wagtail, incl blue-, grey-headed		locally common summer visitor and passage migrant
citrine wagtail	R	accidental, 3 records, 1964, 1967, 1995
grey wagtail		local resident, passage migrant and winter visitor
 pied wagtail, incl white wagtail		common resident, passage migrant and summer visitor
Bohemian waxwing		rare winter visitor and passage migrant, subject to influxes
white-throated dipper, incl black-bellied	r	very rare winter visitor and passage migrant, 33 records, ??? since 1950
winter wren		abundant resident and passage migrant
hedge accentor (dunnock)		abundant resident and passage migrant
alpine accentor	R	accidental, 4 records, 2 in 19th century and 2000 and 2002
European robin		abundant resident, passage migrant and winter visitor
thrush nightingale	R	accidental, 4 records, all since 1984
common nightingale		fairly common summer visitor and passage migrant
bluethroat	r	scarce passage migrant
red-flanked bluetail	R	accidental, 1 record, 1994
Siberian blue robin	R	accidental, 1 record, 2000
black redstart		uncommon summer visitor and passage migrant, occasionally overwinters

common redstart		locally common summer visitor and passage migrant
whinchat		common passage migrant, a few pairs breed
stonechat		locally common resident, winter visitor and passage migrant
northern wheatear		locally common summer visitor and passage migrant
isabelline wheatear	R	accidental, 3 records 1998 x 2 and 2001
pie'd wheatear	R	accidental, 1 record 1994
desert wheatear	R	accidental, 2 records 1987 and 1990
white-tailed (white-crowned black) wheatear	R	accidental, 1 record 1982
White's thrush	R	accidental, 2 records, 1881 and 1928
ring ouzel		fairly common passage migrant
common blackbird		abundant resident, passage migrant and winter visitor
fieldfare		common winter visitor in varying numbers and common passage migrant
song thrush		common resident, passage migrant and winter visitor
redwing		common winter visitor and passage migrant
mistle thrush		common resident, passage migrant and winter visitor
American robin	R	accidental, 1 record, freshly dead 1994
Cetti's warbler		scarce resident and very rare passage migrant
lanceolated warbler	R	accidental, 1 record, 1997
common grasshopper warbler		locally common summer visitor and scarce passage migrant
river warbler	R	accidental, 1 record, 1984
Savi's warbler	R	rare summer visitor and passage migrant
aquatic warbler	r	accidental, 5 records, all since 1976
sedge warbler		common summer visitor and passage migrant
paddyfield warbler	R	accidental, 1 record, 1988
Blyth's reed warbler	R	accidental, 2 records, both 1993
marsh warbler	r	rare passage migrant, c. 35 records, all since 1986
Eurasian reed warbler		abundant summer visitor and passage migrant
great reed warbler	R	accidental, 11 records, all since 1958
Eastern olivaceous warbler	R	accidental, 1 record, 1995
booted warbler	R	accidental, 1 record, 1996 (recorded in former Suffolk now Norfolk)
icterine warbler	r	uncommon passage migrant, mostly in autumn; c. 130 records all since 1961
melodious warbler	r	very rare passage migrant, 14 records, all since 1970
Dartford warbler		very rare resident and passage migrant
Marmoras warbler	R	accidental, 1 record, 2001
spectacled warbler	R	accidental, 1 record, 1997
subalpine warbler	R	very rare passage migrant, 11 records involving 12 individuals, all since 1987
barred warbler	r	uncommon passage migrant, c. 100 records, all but 2 since 1950
Sardinian warbler	R	accidental, 1 record, 1994
lesser whitethroat		common summer visitor and passage migrant
common whitethroat		common summer visitor and passage migrant
garden warbler		fairly common summer visitor and passage migrant
blackcap		fairly common summer visitor and passage migrant, a few overwinter
greenish warbler	R	very rare passage migrant, 7 records, all since 1981
Arctic warbler	R	accidental, 3 records, 1993, 1996 and 2000
Pallas' leaf warbler	r	rare passage migrant, 84 records all since 1963
yellow-browed warbler	r	uncommon autumn passage migrant, c. 100 individuals
Hume's (yellow-browed) warbler	R	accidental, 2 records 2003
Radde's warbler	R	very rare passage migrant, 12 records all since 1964
dusky warbler	R	very rare passage migrant, 9 records all since 1987
western Bonelli's warbler	R	accidental, 3 records, plus 2 non-specific Western / Eastern, all since 1961

wood warbler		scarce summer visitor and uncommon passage migrant
common chiffchaff		abundant summer visitor and passage migrant, a few overwinter
willow warbler		abundant summer visitor and passage migrant
goldcrest		abundant resident and passage migrant
firecrest		uncommon passage migrant and rare resident
spotted flycatcher		fairly common summer visitor and passage migrant
red-breasted flycatcher	r	rare passage migrant, 35 records, mostly autumn, all since 1956
collared flycatcher	R	accidental, 1 record, 1985
pie flycatcher		fairly common passage migrant
bearded tit		uncommon resident
long-tailed tit		abundant resident
marsh tit		fairly common resident
willow tit		uncommon resident and scarce passage migrant
crested tit	r	accidental, 3 19th century records
coal tit		common resident and scarce passage migrant
blue tit		abundant resident
great tit		abundant resident
wood nuthatch		locally common resident
Eurasian treecreeper		common resident
Eurasian penduline tit	R	very rare visitor, 9 records of 11 birds, all since 1989
Eurasian golden oriole		scarce summer visitor and passage migrant
isabelline shrike	R	accidental, 2 records, 1976 and 1997
red-backed shrike		uncommon passage migrant and rare summer visitor, formerly bred
lesser grey shrike	R	accidental, 5 records, all since 1970
great (northern) grey shrike		uncommon passage migrant and winter visitor
southern grey shrike	R	accidental, 2 records, 1986 and 1992
woodchat shrike	r	very rare (spring) passage migrant, 26 records, 21 since 1950
Eurasian jay		common resident and scarce passage migrant; subject to autumn influxes
black-billed magpie		common resident
spotted nutcracker	R	very rare visitor, prone to irruptions, 93 records, 83 since 1950, of which 75 in 1968
red-billed chough	r	accidental, one 19th century record
Eurasian jackdaw		common resident, winter visitor and passage migrant
rook		common resident, winter visitor and passage migrant
carrion crow		common resident, winter visitor and passage migrant
hooded crow		uncommon winter visitor and passage migrant
common raven	r	accidental, 8 individuals since 1950, formerly quite common pre 20th century
common starling		abundant resident, winter visitor and passage migrant
rosy starling	R	accidental, 26 records, but only 8 of which since 1950
house sparrow		abundant resident
Eurasian tree sparrow		uncommon resident and passage migrant
red-eyed vireo	R	accidental, 4 records, all since 1988
chaffinch		abundant resident, winter visitor and passage migrant
brambling		common winter visitor and passage migrant
European serin	r	very rare (spring) passage migrant, 32 records, 29 since 1950
European greenfinch		abundant resident, winter visitor and passage migrant
European goldfinch		abundant summer visitor and passage migrant, small numbers overwinter
Eurasian siskin		common winter visitor and passage migrant, and uncommon resident
common linnet		common resident, summer visitor and passage migrant; smaller numbers overwinter
twite		locally common winter visitor and passage migrant
lesser redpoll		locally common but declining resident, winter visitor and passage migrant

common redpoll ['meally' redpoll]	r	uncommon winter visitor and passage migrant
arctic redpoll	R	very rare winter visitor, 11 records involving 18 individuals, all since 1953
two-barred crossbill	R	accidental, 3 19th century records
common crossbill		locally common resident and irruptive visitor
parrot crossbill	R	very rare winter visitor, c. 30 individuals, all but 2 since 1950, has bred
trumpeter finch	R	accidental, 1 record, 1971
common (scarlet) rosefinch	r	very rare summer visitor and passage migrant, 22 records, all since 1950, has bred
common bullfinch		common resident
hawfinch		uncommon resident and rare passage migrant
lark sparrow	R	accidental, 1 record 1981
white-throated sparrow	R	accidental, 2 records 1968/9 and 1992
lapland longspur (bunting)		uncommon passage migrant and winter visitor
snow bunting		locally common winter visitor and passage migrant
yellowhammer		common resident and passage migrant
pine bunting	R	accidental, 1 record 1995
cirl bunting	r	accidental, 4 records involving five individuals, 3 records in 1955 & 1959 but none since
black-headed bunting	R	accidental, 3 records, 1992, 1993, 2002
yellow-breasted bunting	R	accidental, 2 records presumably involving the same individual in 1993
ortolan bunting	r	very rare passage migrant, 52 records, the majority since 1980
rustic bunting	R	accidental, 3 records 1962, 1992, 1996
little bunting	r	accidental, 8 records involving 11 individuals; 5 records (6 individuals) since 1950
reed bunting		common resident and passage migrant
corn bunting		locally common resident

category D

white pelican
greater flamingo
wood duck
marbled teal
falcated duck
Baikal teal
sakar
chukar
red-headed bunting

Abundance categories

abundant	occurs in large numbers in suitable habitat and season
common	occurs regularly or is widely distributed in suitable habitat
fairly common	occurs in small numbers in suitable habitat and season
locally common	occurs in small numbers but restricted to specific habitats
uncommon	occurs annually in small numbers
scarce	1 - 2 records each year or restricted to specific habitats
rare	occurs less than annually
very rare	6 - 25 records in past 30 years
accidental	less than 6 records in past 30 years
