### COUNTY WILDLIFE SITE CRITERIA

With **reference to CWS criteria**, (see FAQ 3), please summarise how the site might meet the criteria (Continue of a separate sheet if necessary – but please indicate you have done so)

Primary

Secondary

**HABITATS** (see <http://www.suffolkbis.org.uk/biodiversity/speciesandhabitats/gateway>)

The presence of one or more Suffolk Priority habitats is particularly important if the site is to meet CWS criteria. (see FAQ 4 for details on recording habitats and Priority Species Gateway)

**SPECIES**

Please provide a summary of species found on site. (see FAQ 5 on species recording).

**Mammals**

**Fish**

**Reptiles and amphibians**

**Invertebrates**

**Birds**

**Plants**

**Sketch Map**

Please provide a sketch map of the site including different habitats and a site boundary  
See FAQ 6 re sketch map guidance.

**Photographs can either be sent as a hard copy or uploaded on to Flickr and added to the SBIS group.**

Please indicate that if you have included photographs in either format.  
Please also indicate where photographs were taken on the sketch map.  
See FAQ 2 re photographs

**Site Management**

Is whole or part of the site positively managed for nature conservation?

Describe site management

Is all or part of the site in an agri-environment agreement scheme? e.g. Countryside Stewardship (CS), English Woodland Grant Scheme (EWGS). Please give brief details if known e.g. management options

Do you know if the site has a management plan or received conservation advice?

If yes, then do you know where this information is held?

Is the management plan being implemented?

**Additional pages**

If you have added any additional pages/photographs to the form, please indicate how many

The information on this form will be used by the Suffolk County Wildlife Site Panel to assess the site against CWS criteria.

Information provided will be sent to SBIS on the understanding that it will be entered onto a computer database and may be used for nature conservation, planning, research and education. Data may be made available for public information but will not be published without SBIS permission.
