

Suffolk County Wildlife Site: Potential Site Survey Form

Please advise the landowner that the information on this form will be used by the Suffolk County Wildlife Site Panel to assess the site against CWS criteria. The information provided will be sent to SBIS on the understanding that it will be entered onto a computer database and may be used for nature conservation, planning, research, and education and will be made available for public information but will not be published without SBIS permission.

Name of Site:	Date(s) surveyed:
Parish(es):	Name(s) and contact(s) details of surveyors:
Grid ref (six figures and central to the site):	
Area (ha):	
Name and address of landowner(s):	E-mail:
Phone Number	Please give details of anyone else who needs to be notified if the site becomes a CWS e.g. tenant:
E-mail	
<input type="checkbox"/> Please tick box to confirm that landowner has granted permission for survey and is aware that survey data will be submitted to SBIS and the CWS panel	
Ensure landowner details are added to secure database	
COUNTY WILDLIFE SITE CRITERIA: Please refer to section 3 of the current CWS selection criteria and summarise how the site might meet the selection criteria. (Continue of a separate sheet if necessary).	
PRIMARY:	
SECONDARY:	

HABITATS: Summarise all habitats for which the site is important and indicate which parts of the site you visited. Refer to section 4 of the current CWS selection criteria. (Continue of a separate sheet if necessary).

SPECIES: Summarise species found on site. Including key, indicator, and protected species. (Continue of a separate sheet if necessary).

SITE MANAGEMENT: (Continue of a separate sheet if necessary).

Is whole or part of the site positively managed for nature conservation?

Describe the site management.

Is all or part of the site in an agri-environment agreement? e.g. Environmental Stewardship (ELS/HLS), Environmentally sensitive area (ESA), Countryside Stewardship CSS, English Woodland Grant Scheme (EWGS). Please give brief details if known e.g. management options:

Do you know if the site has a management plan or received conservation advice?

If yes then do you know where this information is held?

Is the management plan being implemented?

MAP **Include annotated map / sketch where appropriate.**

Photographs can either be sent as a hard copy or uploaded on to Flickr and added to the SBIS - Suffolk Wildlife Photos group: www.flickr.com/groups/sbrc_suffolk-wildlife-photos

Please indicate that if you have included photographs in either format. Please also indicate where photographs were taken on the sketch map.
